## IUC Self Employed or Limited Company General Practitioner

### Job Summary

Provide safe and effective Out of Hours and In hours (CAS) urgent care assessment and diagnosis via telephone, video consultation, on site appointments and during home visits. Provide timely assessment of patients, plan their care, administer treatment and discharge them or refer as appropriate to other healthcare professionals / external agencies. This will include prescribing for patients as clinically indicated.

Work as part of the multi-disciplinary team in providing quality, evidence-based health care, in line with protocols and policies to meet the immediate needs of the patient and provide clinical support to other clinicians working in the integrated urgent care service.

Function autonomously and within your sphere of competency and professional registration. Work within the professional Codes of Conduct and other directives as defined by the GMC and NHS England.

PPG will only engage with General Practitioners who are on the National Performers list and comply with NHSE appraisals and GMC processes for revalidation as part of maintaining their professional registration.

Communicate with the clinical and operational teams, service leads for the OOH and CAS to maximise:

- Safety of the clinical service at all times
- Effective real time contingency management on shift

As a contractor you will have access to our scheduling systems web tool where we show shifts which may be available. You can make a request for a shift which the rota team will then consider. The rota team will notify you if you have been chosen for a shift.

Patients will be presented to you in a primary care centre, in a call centre, and/or home visits. Consultations are recorded in the electronic medical record system (Adastra). Remote working may be available and can be discussed with the Local Medical Lead for the service.

**NOTE: This job description is not intended to be an exhaustive list of all duties, and responsibilities associated with the job. Other duties may be assigned.**
