Bank General Practitioner

Provide safe and effective Out of Hours and In hours (CAS) urgent care assessment and diagnosis via telephone, video consultation, on site appointments and during home visits. Make timely decisions regarding future management, including advice and onward referral to callers who have been identified as requiring clinical assessment.

Work as part of the multi-disciplinary team in providing quality, evidence-based health care, in line with protocols and policies to meet the immediate needs of the patient and provide clinical support to other clinicians working in the integrated urgent care service.

Function autonomously and within your sphere of competency to provide assessment of patients, plan their care, administer treatment and discharge them or refer as appropriate to other healthcare professionals / external agencies. This will include prescribing for patients as required.

Take an active role within the cross-disciplinary, multi-skilled team to ensure service quality in line with corporate goals and strategy, and to assist in the development of new models for service delivery that have a positive impact on the health economy.

Represent Practice Plus Group in a professional manner when in contact with the general public and other professionals.

Work closely with the clinical and operational teams, service leads and directors for the OOH and CAS to ensure:

- Safety of the clinical service is maximised at all time
- Efficient utilisation of resources
- Effective real time contingency management on shift

This post may require a doctor to be based at a primary care centre, in a call centre, or in a mobile visiting service. Remote working can be offered and can be discussed with their Medical Lead.

As this is a Bank position, you will be on a 0 hour a week contract, offering flexible choice of your session within the OOH period.

Once engaged on a session with Practice Plus Group you are agreeing to work for us on an exclusive basis. You will not commit to work for any other organisation at the same period of time.

NOTE: This job description is not intended to be an exhaustive list of all duties, and responsibilities associated with the job. Other duties may be assigned.
