

Job Description

Job Title: Primary Care Nurse
Accountable to: Clinical Lead

Practice Plus Group's mission is **Access to Excellence**. Our core values are;

- we treat patients and each other as we would like to be treated
- we act with integrity
- we embrace diversity
- we strive to do things better together

Patients can only access excellence if we commit to living our values in everything we do when we're at work.

We believe in putting the patient first, regardless of the environment or their history. The prison population is one of the most vulnerable and challenged patient groups in society and the delivery of their health care is conducted within often difficult and demanding environments.

The role

As a Primary Care Nurse you will work within a multi-disciplinary team to deliver a nurse led service and prevent hospital admissions. You will undertake medication rounds, dispense controlled medication, attend emergency response situations, assess patients, and undertake reception screening. You will use your skills and knowledge to deliver nurse led clinics to your patient group whilst being supported by a multi-disciplinary team.

You will contribute to our nursing strategy and vision to;

Provide outstanding evidence based care to our patients, seeking out, listening to and acting on their feedback, so that care is personalised and informed by what matters to them.

Deliver non-judgemental care that makes a real difference, as defined throughout our bespoke Health in Justice competency framework.

Inspire excellence by forging strong links with our partners and stakeholders and providing a service that people can trust, feel safe within, and feel proud of.

Promote best practice, clinical supervision, evidence based care and continuous quality improvement, embedding a culture of shared learning.

Share knowledge, skills and expertise to ensure safe care, building strong multi-disciplinary teams and supporting each other to do a great job.

About you

- Registered nurse – *Adult*
- Current professional qualification (NMC)
- Evidence of Continued Professional Development
- Understanding of the complexities of multi-disciplinary and multi-agency working
- A non-judgmental and compassionate approach
- Excellent communication skills
- Understanding of clinical governance, health and safety, QOF, EBP and national standards
- Good IT skills and IT literacy
- Knowledge of healthcare policies and best practice
- Proactive problem solving skills
- Flexible attitude to working arrangements
- Motivated as an individual and when working in a team
- Able to work within a busy environment
- Willing to learn and develop being committed to self-development
- Patient centred values
