

Job Description

Job Title: Mental Health Practitioner
Accountable to: Mental Health Lead

Practice Plus Group's mission is **Access to Excellence**. Our core values are;

- we treat patients and each other as we would like to be treated,
- we act with integrity
- we embrace diversity
- We strive to do things better together.

Patients can only access excellence if we commit to living our values in everything we do when we're at work.

We believe in putting the patient first, regardless of the environment or their history. The prison population is one of the most vulnerable and challenged patient groups in society and the delivery of their health care is conducted within often difficult and demanding environments.

The role

To provide healthcare to patients, promoting health and well-being within the prisoner population. We are looking for experienced Mental Health Practitioners, RMN, Social Workers (Mental Health), Occupational Therapists (Mental Health), Recovery practitioners with experience in the Primary care mental health field. The role will be responsible for assessment and caseload management of those referred into Mental health services. Working as part of a primary and secondary care integrated model, Practitioners will be able to work under their own direction whilst also contributing to group MDT and triage. You will support your team to carry out comprehensive assessments, confidently communicating treatment options and initiating supportive care plans, working with individuals on a 1-2-1 basis alongside the wider multi-disciplinary team. You will model a culture of compassion, care, courage, commitment, communication and competence.

You will contribute to our healthcare strategy and vision to;

Provide outstanding evidence based care to our patients, seeking out, listening to and acting on their feedback, so that care is personalised and informed by what matters to them.

Deliver non-judgemental care that makes a real difference, as defined throughout our bespoke Health in Justice Competency framework.

Inspire excellence by forging strong links with our partners and stakeholders and providing a service that people can trust, feel safe within, and feel proud of.

Promote best practice, clinical supervision, evidence based care and continuous quality improvement, embedding a culture of shared learning.

Share knowledge, skills and expertise to ensure safe care, building strong multi-disciplinary teams and supporting each other to do a great job. Encourage a shared learning approach to teaching.

About you

- RMN, Social Worker (Mental Health) or Occupational Therapist (Mental Health)
- Current professional qualification (NMC, HCPC or equivalent)
- Evidence of Continued Professional Development
- Understanding of the complexities of multi-disciplinary and multi-agency working
- A non-judgmental and compassionate approach
- Excellent communication skills
- Understanding of clinical governance, health and safety, QOF, EBP and national standards
- Good IT skills and IT literacy
- Knowledge of healthcare policies and best practice
- Proactive problem solving skills
- Flexible attitude to working arrangements

- Motivated as an individual and when working in a team
- Able to work within a busy environment
- Willing to learn and develop being committed to self-development
- Patient centred values
